INSTRUCTIONS:

- Photo Actions area really easy and great way to raise awareness about the International Violence Against Women Act and encourage others to show their support for it.
- Set up in a busy location or at the center of your campus and ask people to show their support for IVAWA by having their picture taken with a sign that says: "I Support the International Violence Against Women Act". Ask each person to Instagram or tweet out the photo using the hashtag #IVAWA and to explain why they support it on a separate sign if they like.
- You can then upload the photos onto Amnesty's IVAWA Tumblr: www.ivawa.tumblr.com
