

# Your Role as a Proud Pet Parent

Secure 3-8 fundraising candidate committee members.

Email invitations for your Yappy Hour committee meeting, so everyone can get together before fundraising starts on February 5.

Work with Ash Drew to set up a Zoom option for virtual committee members who cannot attend in person.

Remind your committee members a few days in advance of the Yappy Hour.

February 5: Everyone begins making donation asks to their contacts.

Once fundraising has started, be sure to enter all money collected online, and mail any checks, money orders, or sponsorship commitment forms to Pet Partners by March 4.

Make sure to follow up with potential supporters who have not yet donated by the four-week mark.

Ask, Ask, Ask! During the last two weeks, fundraising amounts for the candidates are hidden. This is when you want to ask for final donations and increase the chance of your pet being crowned Pet Partners Pet of the Year!
