

# A SOCIALLY DISTANCED TREATS & SWEETS DAY GUIDE

## *At the Workplace*

Treats & Sweets Day is the yummiest fundraising event of the year and it is a piece of cake to celebrate. In honor of National Therapy Animal Day on April 30<sup>th</sup>, thousands of bakers will be whipping up some treats and sweets to celebrate the human-animal bond. With safety precautions still in place, we want to set you up for success by hosting a socially safe and physically distanced Treats & Sweets Day to remember.

With a pinch of creativity, here's how to plan your socially distanced event at the office!

Staff that can work from home or remotely are encouraged to do so, and we suggest you check out our Virtual Event Flier for some fun ideas. For the staff that are back at work and wish to raise some dough, you should follow these guidelines:

- Make sure each staff member is keeping at least 6 feet apart and following any face covering guidelines put forth by your employer.
- Select a space for your event at your office with plenty of room to ensure everyone feels comfortable.
- Maintain good hygiene. Have a few bottles of hand sanitizer available for your co-workers to use.
- Pre-bag or hand out treats with gloves to help limit the number of people coming into contact with the items.
- Text or email your donation page link so co-workers can make online donations, or have a collection jar available.

### **TIP FOR SUCCESS:**

Download and print our Social Distancing Floor Labels. These are perfect to help guests determine where to stand and keep everyone happy and healthy!

If hosting a small gathering from home is more your style, then we can help you bake sweet memories this Treats & Sweets Day! It's important to remember that social distancing still needs to take place even while at home, but don't worry, it's not all or muffin.

- Be sure to check your local government restrictions on how many guests you are allowed to have in your home.
- Make sure each guest is keeping at least 6 feet apart and everyone is wearing a face covering, if possible.
- Offer temperature checks at the door and limit physical greetings.
- Make sure the area in your house you selected for your Treats & Sweets Day event has plenty of space to ensure everyone feels comfortable.
- Make sure everyone is maintaining good hygiene. It's a good idea to have a few bottles of hand sanitizer available for your guests to use when they arrive at the event.
- If you have friends or family that want to come, but are in a high-risk group, invite them to attend your event virtually. You can learn more by downloading our Virtual Event Flier to make sure everyone is included.
