WHAT:

Pet Partners is celebrating the 6th annual World's Largest Pet Walk presented by Wellness Pet Company, an official pet-friendly fundraising walk with a goal of raising \$130,000. More than 1,500 walkers from around the world, humans and pets, will be pounding the pavement this September. This event is for everyone who wants to enjoy the health benefits of being active with pets, while also supporting Pet Partners! Individual walkers and walk teams are encouraged to register.

All walkers that raise \$125 or more will receive the official walk shirt to commemorate the day and a bandanna for their pet! Your participation will support Pet Partners' Therapy Animal Program which brings unconditional love, happiness, and healing to millions of seniors, patients, veterans, and children in need.

WHEN:

Saturday, September 23, 2023

WHERE:

Anywhere you love to walk!

WHY:

Pet Partners' mission is to improve human health and well-being through the human-animal bond.

Did you know...

- Walking daily can increase cardiovascular fitness and reduce the risk of heart disease and stroke.
- Our pets motivate us! Research has found that people who walk with an animal are more likely to meet physical activity recommendations.
- Walking is good for our pets! About half of all dogs are considered overweight; walking is a great method for them to stay in shape.
