THE HUMAN RIGHTS CAMPAIGN FOUNDATION AND OUR CO-PRESENTING CONFERENCE PARTNERS ARE EXCITED TO PRESENT TIME TO THRIVE, THE SEVENTH ANNUAL NATIONAL CONFERENCE PROMOTING SAFETY, INCLUSION AND WELL-BEING FOR LGBTQ YOUTH EVERYWHERE! TIME TO THRIVE WILL BE HELD FEBRUARY 14-16, 2020, AT THE RENAISSANCE WASHINGTON DC DOWNTOWN HOTEL.

ONLY 26%
of LGBTQ youth always
feel safe in their classrooms

We are making progress on the road to legal equality, yet young LGBTQ people in America still face dramatically heightened rates of discrimination in school, at home and within their community. The impact of family rejection, bullying and the messages they hear about being LGBTQ weigh heavily on our youth. By engaging a broad audience of youth-serving professionals, including K-12 educators, parents and families, mental health providers, pediatricians, religious leaders, recreational athletic coaches and youth development staff (Boys and Girls Club, YMCAs, scout leaders, etc.), we can create spaces in which LGBTQ youth are affirmed, supported and have the ability to thrive.

ONLY 27%
of LGBTQ youth are comfortable
talking to their school counselor
about questions related to their
LGBTQ identity

Time to THRIVE provides a comprehensive professional development opportunity for youth-serving professionals to build awareness and cultural competency, learn current and emerging best practices and gather resources from leading experts and national organizations in the field. The conference is strongly committed to an intersectional approach in all conversations, workshops and keynotes.

HRC and University of Connecticut's 2017 landmark research shows us some of the most pressing issues facing our youth today.

73%
of LGBTQ youth have experi-
enced verbal threats because of
their actual or perceived sexual
orientation or gender identity.

These findings are a call to action for all adults who want to ensure the overall well-being of LGBTQ young people. Time to THRIVE provides a "one-stop-shop" opportunity to build awareness and cultural competency, learn current and emerging best practices and gather resources from leading experts and national organizations in the field. Exciting keynote speakers and special guests will be announced soon! Register here or online and help the LGBTQ youth in your community THRIVE!
