Donations are Critical to Serve Veterans Still in Need

by [insert name], Department Commander

Veterans are the best of America. As a veteran, you understand the importance of service and a commitment to your country, community and fellow veterans.

And as a member of the VFW, you're dedicated to a life of service. Service, especially FOR VETERANS, is at the heart of all we do – but we can't do it without you.

Right now, your donations are critical.

Too many men and women who bravely served our nation face ongoing challenges and struggle to care for themselves and their families.

The VFW is doing everything possible to meet the needs of veterans, service members and their families, but our resources are pushed to their limits. Demand for our programs only continues to grow.

We need you to give. Remember, your donation stays here to help veterans in our state. That's why your contributions are vital. Each one of us must play a part to serve veterans in our communities. The next time you see an envelope from the VFW in your mailbox, please let us hear from you with a gift to support fellow veterans.

Thank you for making sure we can be here for our fellow veterans when they need us most. I hope you're proud of supporting crucial VFW programs that serve veterans in our state.

It's because of members like you that we can say **NO ONE DOES MORE FOR VETERANS.®**
