

VETERANS NEED HELP NOW.

The VFW Needs You to Give.

Speech to deliver at Post, District and Department events

Welcome. Thank you for being here.

I won't talk for long, but I need to share an urgent message with you ...

Too many men and women who bravely served our nation face ongoing challenges and struggle to care for themselves and their families.

I ask you, as a VFW member, to respond as generously as possible to VFW Department mailings to help each veteran, service member and their families who need us.

The VFW's resources are pushed to their limits and demand for programs keeps growing. The time to give is now.

Remember, your donations stay here and help veterans in our state – our own communities.

When you contribute to Department mailings, you:

- **Provide financial assistance for veterans, including those with Post-Traumatic Stress and Traumatic Brain Injuries.**
- **Give hope and support to service members and their families experiencing hardship.**
- **Help veterans fight to get the care and benefits they've earned.**

If you're not receiving Department mailings, let me know so we can add you to the list.

Thank you for having the back of your fellow veterans when they need you. Your support in this time means everything to veterans in our state.

Be proud that you make it possible for us to say **NO ONE DOES MORE FOR VETERANS.®**
