

# BOWL for Kids' Sake 2023

## FUNDRAISING IN THE WORK PLACE

### PENNY DRIVE.

A penny drive is an easy way to raise money without having to plan and organize a huge event. All you'll have to do is set up a jar in a well-trafficked area, like your office lobby.

Turn your penny drive into a competition to see how fast you can fill the jar!

### CHILI COOK OFF

Your co-workers will relish the chance to share their secret chili recipe in a contest for top dog. **Ask other employees for donations to eat and vote for a winner!**

### JEANS DAY.

Scrap the trousers for the denim, and a small fee, of course.

### BAKE SALE.

Ask your coworkers to make their signature treat to add to your bake cart. Take it around a couple of times a day to beat that 3 p.m. snack run.

**RALLY YOUR VENDORS.  
THEY WILL WANT TO  
SUPPORT AN EFFORT  
THAT THE COMPANY IS  
PASSIONATE ABOUT.**

### FOOD TRUCK PARTY.

Contact local food trucks and set a time for them to visit your workplace. Ask them to charge a couple dollars extra per meal to raise money for your fundraising efforts.

### INVITE A BIG.

**Do you have a Big Brother or Big Sister at your company?** Ask him or her to speak at your fundraising kick-off to get your employees excited about the BBBSSADK mission.

### HOST A RAFFLE.

Sell tickets for a chance to win something fabulous!

### 50/50.

Winner takes home half the pot and the other half goes to help make life-changing matches!
