THE BEST PARTY FUNDRAISER IN TOWN TO SUPPORT BIG BROTHERS BIG SISTERS

The Corporate Bowling Challenge is a unique opportunity to rally your co-workers for some friendly competition against other corporate teams and WIN BIG for the kids!

ABOUT BIG BROTHERS BIG SISTERS

Quite simply, we create and support life-changing friendships for children facing adversity by pairing them with a caring, adult mentor.

We currently serve more than 1,100 children in our service area.

When a Little is paired with a Big, great things happen! Last year:

- **77% of Littles are doing better academically**
- **78% of Littles interact better with their families**
- **83% of Littles report higher self-esteem**

Most importantly, Littles in the Big Brothers Big Sisters program report having higher aspirations because of their relationship with their Big. This means that for Littles, the possibilities are endless and their futures have never been brighter.
