Steps

1. Gather your friends and family.
2. Pile on the snacks and drinks—we love hot chocolate around the fire!

4. Keep stoking the fire and sing along! We've prepared some great camp songs to get you started...
5. Don't forget to snap a picture or video of your campfire sing-a-long and share on social media with #CampOut, tagging @campoochigas and @camptrillium!

*Please ensure that any real campfire activities are conducted safely and with appropriate implements

Country Roads

John Denver

Almost heaven, West Virginia
Blue Ridge mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin' like a breeze

Chorus:

**Country roads, take me home
To the place I belong
West Virginia, mountain mamma
Take me home, country roads**

All my memories, gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Chorus

Bridge:
I hear her voice, in the mornin' hour she calls me
The radio reminds me of my home far away
Driving down the road I get a feelin'
That I should have been home yesterday, yesterday

Chorus (2X)

Sweet Caroline

Neil Diamond

Where it began
I can't begin to knowin'
But then I know it's growing strong
Was in the spring
And spring became the summer
Who'd have believed
You'd come along

Hands, touchin' hands
Reachin' out
Touchin' me
Touchin' you

Chorus:

**Sweet Caroline (ba ba ba)
Good times never seemed so good
I've been inclined (ba ba ba)
To believe they never would**

But now I...

Look at the night
And it don't seem so lonely
We fill it up with only two

And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holding you?

Warm, touchin' warm
Reachin' out
Touchin' me
Touchin' you

Here Comes the Sun

The Beatles

Here comes the sun, here comes the sun
And I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Here comes the sun, here comes the sun
And I say it's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here

Here comes the sun, here comes the sun
And I say it's all right

Bridge:

Sun, sun, sun, here it comes (4X)

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear

Here comes the sun, here comes the sun
And I say it's all right

Here comes the sun, here comes the sun
It's all right, it's all right

Chorus

**Oh, no, no
Sweet Caroline
Good times never seemed
So good
Sweet Caroline**

I believe they never could

Sweet Caroline
