

Week Three Challenge: Ready, Set, Games!

Family Charades

What you'll need:

- Charade prompts
- Friends and family
- Hat, bowl, or any other container
- Hourglass, egg timer, watch, or other time keeper
- Somewhere to gather (in person or virtually)

Steps

1. Print these instructions with the charade prompts below.
2. Cut out the different prompts, fold them, and place them in the hat.
3. Want to add your own prompts? Just write them down and cut them out!

Rules of play:

- One by one, each player takes a turn.
- During the turn, the player picks one prompt from the hat.
- The player must then act out the prompt while all other players try to guess! Use your timer to ensure each player gets the same amount of time.

Helpful hints

- Set up a video call with friends and family to play charades from a distance.
- Don't be afraid to make up your own prompts and add them to the hat!
