

## R2//NYC Social Media Post Templates

Donate/support my fundraising:

This September, I'm cycling a challenging **five-day route to NYC** to fundraise for kids with cancer or serious illness. Help me support [@campfirecircleorg](https://www.campfirecircle.org) by donating to my page and help me reach my goal. When you give, you are helping kids take back their childhood with free camp programs across Ontario. See the link in my bio to donate.

#werideforcampfirecircle #healingthroughhappiness

We Ride for Campfire Circle:

I'm riding for Campfire Circle with [@R2//NYC](https://www.R2NYC.ca) this September! Campfire Circle delivers play-based programs in hospitals, communities and at two medically supported overnight camps for kids with cancer or serious illness and their families. Donate to my #R2NYC page and help me reach my goal. Link in bio.

Sign Up for the 2-Day Ride:

This September, the two-day ride is back! Join us as we cross the Peace Bridge to Buffalo and back. Ride for Campfire Circle and help deliver healing through happiness to kids with cancer or serious illness and their families across Ontario. Register today at [www.R2NYC.ca](https://www.R2NYC.ca) or reach out to me!

Donor Thank You:

Thank you to all my generous donors for helping to deliver healing through happiness to kids with cancer or serious illness and their families. Your support means more kids and families can experience joy and laughter during their most challenging times.

Thank you for supporting me on this journey #R2NYC
