There are **100 million** horses, donkeys and mules working around the world to support the lives of **600 million** people

Brooke works in more than **ten countries** to make **sustainable improvements** to the lives of animals and their owners

Brooke is a **global champion** of animal health and welfare, and **we will not stop** until animals get the attention and respect they deserve

Now you have finished!

YOU DID IT! CONGRATULATIONS! NOW IT'S TIME TO:

Ask for one last cheeky donation from all your friends and family
