

BINGO NIGHT

1. Pick a day for your bingo night.
2. If you're planning to host a virtual bingo night, set up a viewing platform (eg. Zoom, Google Meet etc.) and share the link and log-in instructions with your attendees.
3. Create an invite for your party and include the link to your fundraising page.
4. Send an invite to your guests and ask them to make a donation instead of buying you a present, or a party host gift.

On the day of the event

1. Go to myfreebingocards.com/virtual-bingo
2. Select the type of bingo you want to play- 1-75, 1-90 or custom bingo cards.
3. Once you select the type of cards, you have the option to customize the title and column, pick a theme, select free space for your game and how many cards per page.
4. Once you complete the customization, select 30 cards for free and you will see your virtual link which can be shared with your party.
5. If you are hosting a virtual party, get on a video call (Zoom, Google Meet) with your guests and share the virtual link.
6. When your guests click on the link, they will get a card randomly. Two participants may get the same bingo card.
7. If you want to ensure everyone has a different card, you can click on individual links, copy the individual link and send it to each person.

BINGO NIGHT

Event Instructions

Host instructions

1. To start your bingo, go to Call Bingo and press Start Game and the system automatically picks a number.
2. To go to next number, press next call.
3. The bingo caller does not send the bingo calls to players so you need to tell the players the number called.
4. The participant needs to yell bingo if they have a pattern.
5. To verify the numbers, select the bingo card ID and click view card.
6. Once this game is over, you can restart the game and then select a different call sequence.
7. There are 3 different call sequences to choose from. Each call sequence will pick out your bingo numbers in a different order.

Participant instructions

1. Once your host sends you the link, click on the link and you can view your card.
2. When your host calls out the number and if your card has it, then click on the number to mark your card.
3. If you got the pattern on your card, yell BINGO.
4. For your host to verify the numbers, provide your bingo card ID number which is on the left corner of your card.
