Steps for the Host:

Step 1: Pick a date to host your karaoke night.

Step 2: If you're planning to organize a virtual party, choose a platform to host your karaoke night on. Some examples are Zoom and Google meet.

Step 3: Create an invite for your party and include the link to your fundraising page. If it's a virtual party, share the link and log-in details of the viewing platform with your guests.

Step 4: Send an invite to your guests and ask them to make a donation instead of buying you a present, or a party host gift.

Step 5: Enjoy hosting the karaoke night!
