

Call to action: See, Think, Do

See

Just like Pilate, there are lots of people who have power in our communities. Their decisions can make a big difference to the lives of people living around us.

As members of God's family, we want to make sure that everyone around us has what they need to live happy and healthy lives.

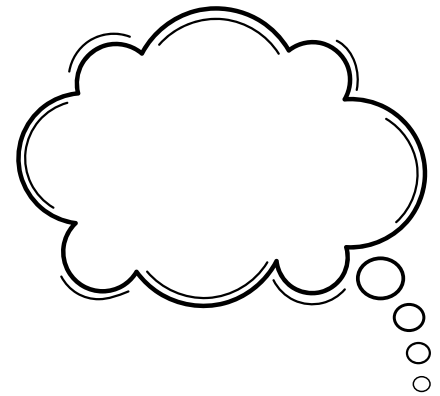

Let's spend a few minutes to identify the worries that people might have in our community.

Where do we **see** different types of poverty?

Think

Who makes decisions in our community that can affect people's lives?

Who has that power, like Pilate, to make a difference to others' lives?

Let's make poverty a priority now!

Contact those in power. For example, contact your local supermarket about what they do about food waste and supporting local foodbanks. Email the council about the lack of playground facilities for children in the community. Write a letter to you local MP to bring their attention to an issue in your community. Or why not a celebrity who has a lot of influence? Raise awareness as a Mini Vinnie group to tell others about the poverty in your communities and the need for action.

Do
