

Leader's guide

Every day, SVP members step through the doors of those in need of care, support, friendship, and hope. Entering someone's space requires an invitation and an open door. In this Jubilee year, the Holy Door in Rome will be opened, inviting everyone to become pilgrims of Hope. A pilgrimage is a journey filled with the expectation of encountering God, and this year, we want to emphasise that behind every door we open, and every doorway we enter, we should anticipate meeting with Him.
