

SVP "Door hangers of Hope"

This year we are writing to MPs to express our concern about the policy on the number of days refugees have to find permanent accommodation before the government support is stopped.

This is **"A Time for Hope"** for everyone as changes have already taken place, but we need this to be made permanent.

A Prayer of Hope

Write a **prayer** for asylum seekers and refugees. May our prayers be lifted to God in a time for hope for those most in need. May our prayers help people to feel welcome in a new place that they will call home and ease their fear and anxiety.

Practise what you want to write below, and then copy it neatly onto your "Door hanger of Hope".

DOOR HANGER OF HOPE

Father,
Please look after asylum
seekers and refugees. I pray
that...

Help them to...

Amen.

What is your
prayer of hope
for asylum
seekers and
refugees?

What help can
we ask of God for
asylum seekers
and refugees?
