These are some of the ways the SVP may use the money you raise to change the lives of those in need:

£30

There are many people who understand how it feels to be secure at home, but for some people the place where they live doesn't feel like home. Your gift of £30 will help a person, a couple or a family turn an unfurnished dwelling into a warm and safe home by providing essential items such as a bed, a table and chairs, a fridge or a cooker.

£100

Will pay for around 28 Vinnie packs for rough sleepers

£500

Would pay for resources needed to run mental health programmes to help rebuild people's lives over a six month period.

£1000

Would supply nutritious hot food for people that need it delivered due to their medical condition or mental health. 20 people a week for 4 months.

£2000

Would help to pay for our yearly outreach van that goes to support people where they are. This would cover insurance and some fuel.

We would love to see and share all that you are doing with the rest of the SVP and the wider Church community.
