

SVP SUMMER SLEEP

You are invited to take part in the SVP Summer Sleep to learn and tell others about homelessness in England and Wales. You will be raising money for the St Vincent de Paul Society (SVP), which helps those most in need in the community, especially the homeless. Some people don't have a safe place to call home. They may be sleeping on the streets, escaping from danger, stuck in hostels, bed and breakfasts, or sofa surfing. When you take part in the SVP Summer Sleep, you are standing together with them to show your support. So whether you are doing the SVP Sleepout, Sleepover or Sleep Without, you are turning concern into action!
