

Dear ..... MP,

Thank you for all the work you do to support our community - it truly makes a difference.

Through the St Vincent de Paul Society, we've learned about the challenges asylum seekers face when granted refugee status. We've also learned that the government recently extended the time refugees have to find permanent accommodation from 28 to 56 days. This change offers hope, but we believe it should be permanent.

We're writing to ask for your support in making this change permanent, ensuring refugees have the security of a safe home and a brighter future. Your help in raising this issue in parliament would mean a lot, as we believe everyone deserves a home.
